The GRHC works to prevent domestic violence, dating violence, sexual assault and stalking at its housing developments through environmental design (security lighting, security cameras, limiting access points), by providing recreational and educational programs for at-risk youth and families, through the cooperation of community-oriented teams that include residents and nonprofit service providers, and by facilitating on-site “community policing” activities of the Grand Rapids Police Department. The GRHC’s Section 8 Administrative Plan (Chapter 2) gives a preference to victims of domestic violence in cases where households on the Section 8 waiting list are split and a determination must be made re which household member will retain a placement on the waiting list. The GRHC’s Section 8 Administrative Plan (Chapter 15) assists child or adult victims of domestic violence, dating violence, sexual assault or stalking by specifically prohibiting termination of assistance to victims or threatened victims when a family member engages in violent or stalking activity that would normally lead to termination of assistance. GRHC staff work with community partner organizations such as the Grand Rapids Police Department, The Salvation Army Social Services and YWCA Domestic Violence Services to link tenants who are victims of violence or stalking with appropriate information and services.
